

Ubikes Renter's Agreement

All bike rentals are subject to the following terms. By renting a bike from Ubikes, you agree to the following terms.

Terms of Use

The renter is responsible for the condition of her/his bicycle for the duration of the rental period. Bicycles should be stored under safe and secure conditions while not in use. Bicycle ceiling hooks can be installed by Building Services in all University dorm rooms upon request. To submit a request, call Facilities Customer Services Center at (609) 258-8000 or fill out an online work order form by visiting http://www.princeton.edu/facilities/customer_service/work_request/. Any maintenance issues should be reported to ubikes@princeton.edu. UBikes staff will take care of all standard repairs; however, it is the responsibility of the renter to bring her/his UBikes bicycle to the Ubikes shop *in a timely manner*. Ubikes is located at 130 University Place (in the Dinky parking lot, right behind the WaWa)

Each bicycle comes with one (1) lock and one (1) key, unless the renter has her/his own lock and opts to decline a UBikes-issued set. **UNDER NO EXCEPTION SHALL BICYCLES BE LEFT UNATTENDED AND UNLOCKED.** Bicycles MUST BE locked to a stationary, immovable object, such as a bicycle rack. Bicycles are NOT to be locked to themselves.
